

A Halloween-themed poster with a large orange moon in the center. The words "Halloween" and "FUN" are written in large, bold, black letters across the moon. Three black bat silhouettes are scattered around the moon. Green, dripping paint-like shapes are on the left and right sides. Below the moon, the date and time are written in a white, gothic-style font. At the bottom, there are yellow and green eyes, a purple pumpkin, and a sign for Georgia Heritage Federal Credit Union.
