

GHFCU RAISES \$7,000 FOR AMERICAN CANCER SOCIETY

For the second consecutive year, Georgia Heritage held a number of fundraisers to benefit the American Cancer Society (ACS). The biggest credit union fund-raising event was the “Chip in Fore a Cure” Golf Tournament held April 29 at the Southbridge Golf Club.

Twenty-five GHFCU employees and volunteers participated in Relay for Life (RFL) May 14-15 at AASU. Through the golf tournament, holiday basket drawings and donations, the credit union raised \$7,000 for ACS and was the fifth highest contributor in the RFL. We appreciate the members who generously participated!
